something fun
for you this
summer...**

The SUMMER OF WONDER

Beginning June 14th

**Themes include:
Nature, Adventure,
The Arts, STEM and
Explorer**

This enriching play program runs for five weeks and is divided into weekly four-day sessions. Each week, the children will explore and learn through fun, engaging hands-on experiences. A typical day will include time for free play, art projects, science experiments, snack, outdoor fun and, of course, dramatic play, where we'll use our imaginations (and some props) to create amazing adventures and experiences!

**A half-day play program for children
Ages 3.5 or currently enrolled – 8 years old
Monday – Thursday, 9am-12pm**

Welcome to THE SUMMER OF WONDER!

A PLAY PROGRAM AT PUCKIHUDDLE

We love to play, but we also love to learn!

A SNEAK PEEK OF OUR EXCITING THEMES . . .

Nature

Come explore the nature in our everyday lives through fun experiments. You will discover the impact of the sun, learn more about plants and flowers, create art with reusable materials and go on a treasure hunt.

Adventure

Grab your passport and head to the airport for adventures near and far! This summer you can compete in the Olympics in Japan, go on an African Safari and learn to dance the Hula on the beach in Hawaii.

STEM

Welcome to Puckihuddle's Science Lab. Each day a new STEM concept will be introduced. Come dive into the fun of Science, Technology, Engineering and Math through exciting hands-on activities.

The Arts

Come stroll through Puckihuddle's Art Museum. Learn about famous artists, become part of the cast and create with a new medium each day. Where will your imagination lead you as you create with various traditional/non-traditional art mediums?

Explorer

Come make new discoveries this week as we travel to different places and see new things around the world. What will you unearth at the dinosaur dig? What will you discover about volcanos. Can we find treasure at the bottom of the ocean?

We hope to send your child home every day with a smile on their face, remembering fun projects, fascinating facts, and most importantly, new friends!
